Our mountains
Our island lives
And our streams flow

These are our responsibilities
With the koa and 'a'ali'i
We all grow this kalo

Your responsibility is with the
streams
With the 'o'opu and the 'opae
As they trail up our streams

You see the light in our oceans
With the akule and the 'ōpelu
We swim with the 'a'ama as it travels
up our streams

This is my story
Of Hawai'i
Grateful for my land (home)
Thank you god for all this love.

Oli:
Mahalo ke Akua, i ka ho'opomaita'i
'ia 'oe, mahalo ia Iesu, no nā mea
aaaaaaapau (apau)

Thank god for his blessings, and
mahalo to Jesus for all
